KERNVILLE IS LOCATED ON THE KERN RIVER BY LAKE ISABELLA
Sierra Way may be closed between 178 & Kernville check road conditions

From Hwy. 14/395 take Hwy. 178 west towards Lake Isabella, about 40 miles there will be a sign with an arrow pointing towards Kernville (will be a right turn). That is Sierra Way. Follow that around the lake towards the town of Kernville. Before reaching Kernville, there will be a sign on the right saying "Jake's Place" with an arrow, turn left and head straight into the arena.

From 99, there are a couple of different ways you can come depending on how scenic and how much time you have. You can come up over the Green Horn mountains. Go through Woody and Alta Sierra (hwy. 155) until you reach Wofford heights. Make a left turn towards Kernville. Go through Kernville until you hit the dead end road, you can either take a right or left. Take a right. Immediately you will see a building on your right that has Kernville population on the roof. Immediately after that hang a right on Gilbert Lane and follow that straight into Jake's Place.
